BRUSSELS CAPITAL WARRIORS

EVERY YOUNG PERSON DESERVES A CHANCE.

Sport brings children together.
We help remove the barriers.

SPORT · YOUTH · INCLUSION · EUROPE

More than a cricket club.

A youth, sport and community organisation that nurtures talent and connects families.

"Everyone deserves the chance to take part, regardless of background or income."

Founded in 2019, Brussels Warriors connects young people and families through sport, trust and community.

2019	club founded
20+	countries represented in our community
2026	Belgian Division 1 champions

Rooted in Brussels. Connected across four cities.

Local networks and partnerships help us reach more children and young people.

Opportunities extend beyond Belgium.

We are developing European youth initiatives focused on connection, independence and equal opportunity.

IN DEVELOPMENT

ERASMUS+ YOUTH

International youth exchanges

Young people meet peers from other countries and learn together about inclusion, culture and collaboration.

IN DEVELOPMENT

DISCOVEREU INCLUSION

Discover Europe by rail

For 18–21-year-olds with fewer opportunities: travel, discover and grow, with support where needed.

IN DEVELOPMENT

SOLIDARITY

Projects for our communities

Young people lead local initiatives around inclusion, connection, accessible sport and solidarity.

Dates, funding, routes, partners and eligibility are not yet final. Expressing interest does not confirm a place.

A bridge between families, schools and communities.

Lasting change happens when local organisations work together and families have a voice.

SCHOOLS

Understand pupils' needs and jointly develop accessible activities.

YOUTH & SUPPORT SERVICES

Connect with families, coordinate support and create opportunities to belong.

PARENTS & FAMILIES

Ask questions, share needs and help decide what is realistic.

LOCAL PARTNERS

Provide venues, volunteers, materials and inclusive community activities.

Costs are confirmed per activity. Community taster sessions may be free; standard club membership is paid.
